<p>Double fees apply to a non-resident of Tuxford for the purchase of a grave, interment, Deed or Transfer – agreed by Council.</p> <p>For clarification: Exclusive Right of Burial (EROB) grants the holder the right to be buried in the specified plot. However, this does <u>not</u> include the cost of purchasing the grave or any associated burial fees.</p> <p>Cemetery fees are based on the residency of the first person to be buried in the plot (when a double grave is purchased as well). If the first interment is for a non-resident, non-resident fees will apply. However, if a later re-opening of the grave is for a resident of Tuxford, then resident fees will apply at the time of that burial. This applies to both full burials and the interment of cremated remains. Pre-purchasing of a grave is not permitted.</p>		

With effect from 31 October 2024

Definition of Resident:

The Parish Council provides a cemetery primarily for the benefit of our residents, which means our fees and charges may be considerably higher for non-residents of Tuxford. For the purpose of the fees, a resident is defined as:

1. A resident of the town of Tuxford, or
2. Had been a resident for 25 years and who left the village to live in a residential home, nursing home or other care facility
